

Flag Day

November 1st

On Flag day, all students marched in front of the school, waving UAE flags. This is one of the events which UAE nationals represent the love of the country and the Japanese students can also thank to the country. Junior high Emirati students led the event with high pride and it was very impressive.

Eiken 2nd stage

November 4th

Eiken (2nd Stage) has finished. The 2nd stage takers all passed the exam. Congratulations!

BSAK Visit

November 7th

This year, G3-G9 students visited BSAK, international school, and interacted with G5 students. After we arrived, students exchanged music performance. Then, students were divided into several groups and joined classes such as art, recreational activities. Later, some snacks and drinks were served and students had fun spending time with BSAK students. On December 5th, we will welcome 36 students from BSAK. We hope them to have fun at our school.

40th Anniversary Events

November 8th

Thank you very much for your cooperation and participation of our 40th anniversary events. We successfully finished the events; ceremony, festival, and grand finale. In the grand finale, the first words were "40 years ago, our school started with only 13 students." And it continued to all the emotional messages. All the students put their passion and emotion to those words. We are pleased to share this moment at our school, which will continue for decades.

Cleaning Event

November 11th

After 40th anniversary event, parents gathered to clean the school with students. Thank you very much for your participation.

Term-End Exam (JH)

November 14th-15th

Junior high students took the term-end exam. I hope they showed what they have achieved for this term. G9 students and some G6 students will have entrance examination and they are preparing for it. I wish they keep the good physical condition and do their best at the exam.

Desert Camp and Excursion

November 18th - 19th

This year, G5, G6, and G9 students participated in the desert camp. They arrived at the camp site in the afternoon and spent time in recreational activities, cooking rice and curry, camp fire, etc. They all had a great fun. On the following day, G1-G4 students went on a desert excursion.

Career Education

November 19th

G7 and G8 students visited the Japanese embassy and the Ambassador talked about the job and answered students' questions. Also, the Consul explained students about the work in each section. We truly appreciate that students had this great opportunity to learn.
