

Tea ceremony experience for G6 class

July 4th

This time Japanese Traditional Culture Experience was Tea ceremony. Eight instructors practicing tea ceremony every week at the Cultural Center visited our school and showed us the manner to drink special Japanese tea. This ceremony which has a long history is becoming rare even for Japanese but very precious opportunity to know the spirit of Japanese mind.

Tour to the fire department for G3 & G4

G3 & G4 students visited a fire department near our school. Interestingly, the color of the fire engine is yellow, that is red in Japan, and the dial number is 999, that is 119 in Japan. There are 23 fire stations in Abu Dhabi and they will arrive within 7 minutes to the accident or the fire site. Fire fighters are protecting our daily lives wearing the clothing which withstand 700 degrees of the heat.

1st term end ceremony & Farewell Party July 20th

After the term end ceremony, we held a farewell party for 6 Japanese students returning to Japan and 1 student changing school at this end of the term.

At the opening ceremony of September, we'll welcome four new students, so the number of students this school will be 52. We're expecting five more students coming in by November. It'll be nice that we can have more friends here

Abu Dhabi Time by Sasaki Sensei July 4th

In the second Abu Dhabi time, Mr. Sasaki served as a lecturer on the theme of "the bond between UAE and Japan".

Not only well-known oil industry but also relations of the two countries such as pearls, urban planning and contribution of the Japanese to the greening project through mangrove planting were introduced. Hoping that the bond between students from both countries will be a big bridge between

Parent's day July 11th – July 13th

child's class observation and individual talk with homeroom teacher was held before the end of first term. Looking back student's school activities during the term then discussed student's task for the summer vacation. We hope the time parent and teacher talked became a good chance to share student's goal or dream of the future.
