## May

Japanese School of Abu Dhabi 2019 May 2<sup>nd</sup>

### Open Class, Parents-Teacher-Meeting April 16<sup>th</sup>

Parents came to see the classes at Japanese school in the new school year. There are many new G1 students and some students are transferred from a school in Japan. Thank you for your attendance.

### Achievement Test (JH) April 18<sup>th</sup>

Junior high students had the first achievement test of this school year. I hope students find their weaknesses through this test and review them to improve.

### Emergency Drill April 28<sup>th</sup>

We had an emergency drill where we set the situation of terrorist attack in the neighborhood. In the drill, we evacuate and wait in the shelter. Mr. Saito from the Japanese Embassy came and evaluated the drill. The shutters installed in 2017 were successfully used in the drill.

- We cleaned and organized the changing room in the gym in April and we found several unnamed shoes. If you think those might be yours, contact us and please bring those back home. We will keep them until the 2<sup>nd</sup> week of May.
- We now have a "lost and found corner" in the B building near the entrance. We will keep those items for about one month so please check those when your child(ren) lose something. Thank you for your understanding.
