Recommendation for reading

School Principal Yukio Miyazaki

If children read...

1. They will greatly develop their language skills

When children read a book, they can increase their vocabulary and greatly develop their general language skills.

2. They will increase their concentration and they can pick up words from books

If children keep reading, their concentration abilities will increase. In addition, it will develop their intellect. They will be able to write sentences by themselves.

3. They will have a good imagination and sensibilities

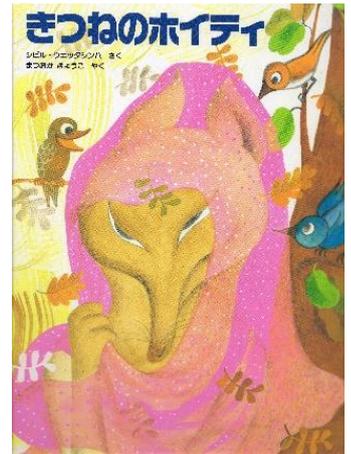

When they read many books, they will be able to simulate a lot of experiences in their minds. That would let them grow their imagination and sensibilities.

4. They will release stress.

It is said that only 6 minute reading can release two thirds of human stress. Moderate concentration during reading has the effect of relaxing the reader.

5. They will get better at understanding other people's feelings.

When they read, they recognize so many character's feelings. If they keep reading, they can naturally get an understanding of other people's feelings.

Advanced school of e-Learning !

Vice-Principal Koji Sato

In this confusing situation of COVID-19, we have started e-Learning quickly. Opening and Entrance ceremony was held online. Teachers and staff are united and ensure students' learning. In Japan, less than 5% of schools conduct e-Learning. The school principal gives lessons from Kanagawa pref. where he currently stays, and vice-principal gives lessons from Tokyo pref. We appreciate your understanding and cooperation in e-Learning.

Online Ramadan meeting

Koinobori

~Carp streamers in the sky in Abu Dhabi~

Big *Koinobori* (carp streamers) are hung up in the sky in the same way as every May. It was not blue sky and the school was quiet with no student. But *Koinobori* parents and children are flying energetically in the comfortable wind. We hope the day we can see them together will come soon.

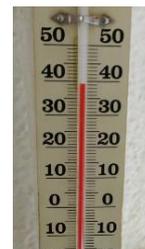

Mr.Janga always helps us.

31 Sun	

The picture on the right side was taken at school at 5pm. The temperature reaches 40°C even in the shade. Going out for exercises is allowed now. Please be sure to prevent COVID-19 and not exercise too hard!

e-Learning Troubleshooting

If you can't join the meeting (class), please try the following steps below,

- ① Close Teams (sign out) and sign in again.
- ② Restart your device.

If not solved... → ③ Contact Ms.Alaa.

If you can't sign in Teams, Please call Ms.Alaa and explain your situation. Teachers will follow up the class which you missed due to the problem of internet or device.

Please enjoy Iftar time...

This year's Ramadan will be different from what it was before due to the COVID-19 outbreak. Make sure to wash your hands and gargle regularly to prevent COVID-19.

Ramadan Mubarak!
