

Class Objective Presentation

May 5th

Each classroom presented their classroom objective before Ramadan meeting. Every class member considered and discussed well and came up with great objectives. Please take a look at the classroom newsletter.

Ramadan Meeting

May 5th

Ramadan started on May 6th. In Ramadan meeting held on May 5th, ADEK teacher and Emirati Junior High students explained a lot about Ramadan.

JOBA Career Guidance

May 6th

We had a JOBA career guidance for students and parents who wish to enter a junior high or high school in Japan. JOBA is an organization which supports students overseas. We do not have such organization here in Abu Dhabi, so it was a valuable opportunity.

Junior High school students and 18 families attended the group session. Afterwards, some families had a private meeting with JOBA teachers.

Student Committee

May 13th

The student committee started for the first time of this school year. We have a slogan of this year, "Let's accept each other's good points and improve together". We hope each committee will carefully plan the yearly activities and commit them.

2019 June 10th

Mid-term Exam (Junior High School Students)

May 15th – 16th

Mid-term exam (the first term) was held for junior high school students. Since the area of study covered in the exam is limited, it should be easy for the students to study for the exam. I hope they could do their best.

It is very important for them to concentrate in each class at school. And they will not make easy mistakes in the exam. End-term exam is coming up in June!

Career Guidance

May 23rd

There was a career guidance for Japanese parents at school and some parents attended the session.

Meeting a New Student

May 30th

A G1 new student, Ms Michiru Inukai, arrived in Abu Dhabi with her family. The meeting included self-introduction, welcoming words from a student representative, Mr. Ohya Yamaguchi, singing the welcoming song. After that, G1 students took her to their classroom. We have a lot of encounters and separations, so it is important that we value each precious chance to meet people.

Thank you very much for your cooperation of red crescent donation.
