Flag Day

November 3rd

We had a flag day event and we sang the National Anthem, waved flags and marched together in front of the main gate. It is always impressive to see Emirati people's love of the nation.

Eiken 2nd Stage

November 3rd

The second stage of Eiken has finished and the results were returned to each student. The results are different, and they are dependent on students' effort. To those who passed the exam, I hope them to aim the higher level. To those who couldn't pass, I hope them to work steadily to prepare for the next exam.

BSAK Visit

November 7th

Students (above G3) visited BSAK as a part of international understanding education. Every group enjoyed their activity with BSAK students.

G3 Field Trip

November 11th

G3 students visited ABELA, a supermarket in the neighborhood. Students could learn a lot of things by listening to the supermarket staff.

Desert Camp (G5-)

November 13th, 14th

G5-G9 students went on a desert camp. They enjoyed recreational activities, preparing and eating supper, camp fire, and sleeping in a tent. They all had a great time.

Desert Activity (G1-G4)

November 14th

G1-G4 students went to the desert camp site for a day. They enjoyed sandboarding, sledging, eating hot dogs, and so on. They had an enjoyable time there.

End-Term Exam (JH)

November 20th, 21st

G7-G9 students finished their end-term exam of the 2nd term. I hope their constant effort brings them good results.

Silkworm Project Ceremony

November 21st

We had a silkworm project ceremony, where we presented cocoons of Koishimaru to a Japanese representative of the project. We are hoping that the silk will be used to make uniforms of Dubai Expo and Tokyo Olympics. It is the first time that silk will be made in UAE, using eggs and cocoons brought from Japan.

Oil Company Lecture

November 24th

Mr. Makoto Ogushi from the Bunduq oil company visited our school and gave a lecture on oil. He talked about how to drill for and produce oil, its necessity, the efficient usage, and so on. G3-G9 students eagerly listened to the lecture and asked him some questions they had.

National Day Event

November 28th

National day event was taken place on Thursday. There were many guests and parents who joined the event. Thank you very much for your participation and cooperation.
